| ABOUT PROJECT   |
|---|
| <p>We are developing a comprehensive business management suite consisting of three integrated systems for modern enterprises:</p> <ul style="list-style-type: none"><li>• HRMS System – Complete human resource management platform for employee management, attendance, payroll, performance tracking, and HR analytics.</li><li>• Event Management System – Full-featured event platform for planning, registration, ticketing, speaker coordination, and attendee management with payment integration.</li><li>• Team Chat System – Enterprise communication platform with real-time messaging, group collaboration, file sharing, and voice/video calling capabilities.</li><li>• Built using modern tech stack (React.js/Node.js + MongoDB/PostgreSQL) ensuring mobile-responsive design and cross-platform compatibility.</li><li>• Integrated ecosystem with unified authentication and shared user management for streamlined business operations.</li><li>• Follows agile development methodology with milestone-driven approach, ensuring high-quality delivery and timely project completion with comprehensive testing.</li></ul> |

| SERVICES  | COST      | QUANTITY | AMOUNT     |
|---|-----------|----------|------------|
| Event Management System   | ₹8,50,000 | 1        | ₹8,50,000  |
| HRMS System   | ₹5,50,000 | 1        | ₹5,50,000  |
| Team Chat System  | ₹3,00,000 | 1        | ₹3,00,000  |
| NOTES   |           |          |            |
| <ul style="list-style-type: none"><li>• INDIVIDUAL PROJECT PRICING:</li><li>• EVENT MANAGEMENT SYSTEM: ₹9,00,000</li><li>• HRMS SYSTEM: ₹6,00,000</li><li>• TEAM CHAT SYSTEM: ₹3,50,000</li><li>• TOTAL IF BOUGHT SEPARATELY: ₹18,50,000</li><li>• BUNDLE ADVANTAGE: SAVE ₹1,50,000 (8.1% DISCOUNT)</li></ul> |           |          |            |
| SUBTOTAL  |           |          | ₹17,00,000 |
| TOTAL   |           |          | ₹17,00,000 |

| SERVICES                   | DESCRIPTION  | AMOUNT  |
|----------------------------|--|---------|
| Employee Management        | Complete CRUD operations, profile management, document upload, employee hierarchy, search & filters          | ₹55,000 |
| Attendance & Leave System  | Check-in/out, leave application/approval, attendance tracking, calendar integration, automated notifications | ₹65,000 |
| Payroll Management         | Salary calculation, deductions, bonuses, payslip generation, tax calculations, bank integration              | ₹85,000 |
| Performance Tracking       | Goal setting, performance reviews, ratings, feedback system, appraisal workflow                              | ₹45,000 |
| Reports & Analytics        | Dashboard with charts, attendance reports, payroll reports, performance analytics, export functionality      | ₹40,000 |
| Authentication & Security  | Role-based access control, JWT authentication, password encryption, security middleware                      | ₹28,000 |
| Database Design & APIs     | MongoDB/PostgreSQL setup, RESTful APIs, data relationships, backup strategies                                | ₹35,000 |
| Frontend Development       | React.js responsive UI, dashboard components, forms, tables, mobile-first design                             | ₹55,000 |
| Testing & QA               | Unit testing, integration testing, user acceptance testing, bug fixes, performance optimization              | ₹22,000 |
| Deployment & Documentation | Cloud deployment (AWS/Vercel), CI/CD setup, user manual, technical documentation                             | ₹20,000 |

| SERVICES                      | DESCRIPTION  | AMOUNT    |
|-------------------------------|--|-----------|
| Event Creation & Management   | Event CRUD, scheduling, venue management, capacity settings, event categories, image/video uploads           | ₹1,00,000 |
| Registration & Ticketing      | Multi-tier pricing, registration forms, ticket generation, QR codes, bulk registrations, waitlist management | ₹1,30,000 |
| Payment Integration           | Razorpay/Stripe integration, multiple payment methods, refund processing, invoice generation                 | ₹70,000   |
| Speaker & Agenda Management   | Speaker profiles, session scheduling, agenda builder, speaker notifications, bio management                  | ₹60,000   |
| Attendee Management           | Attendee dashboard, check-in system, networking features, attendee communication, badges                     | ₹75,000   |
| Notifications & Communication | Email/SMS automation, event reminders, updates, bulk messaging, personalized notifications                   | ₹50,000   |
| Analytics & Reporting         | Admin dashboard (product management, order tracking, inquiry view, stock updates)                            | ₹65,000   |
| Admin Panel & CMS             | Comprehensive admin dashboard, content management, user roles, event monitoring, bulk operations             | ₹80,000   |
| Frontend Development          | React.js/Next.js responsive design, event landing pages, registration flows, attendee portal                 | ₹90,000   |
| Backend & Database            | Node.js APIs, MongoDB/PostgreSQL, file storage, security implementation, scalability optimization            | ₹70,000   |
| Testing & Deployment          | Comprehensive testing, load testing, cloud deployment, CI/CD, monitoring, documentation                      | ₹60,000   |

| SERVICES                           | DESCRIPTION  | AMOUNT  |
|------------------------------------|--|---------|
| Real-time Messaging                | WebSocket implementation, instant messaging, message history, typing indicators, online status           | ₹60,000 |
| Group Chat & Channels              | Create/manage groups, channel creation, member management, permissions, group settings                   | ₹45,000 |
| File Sharing & Media               | File upload/download, image/video sharing, document preview, file size limits, cloud storage integration | ₹40,000 |
| Voice & Video Calling              | WebRTC integration, one-on-one calls, group calls, screen sharing, call recording                        | ₹95,000 |
| User Management & Profiles         | User registration, profile management, contact lists, user search, status updates                        | ₹30,000 |
| Push Notifications                 | Real-time notifications, mobile push, email notifications, notification preferences, sound alerts        | ₹25,000 |
| Message Features                   | Message reactions, reply/forward, message editing/deletion, search functionality, message encryption     | ₹35,000 |
| Admin Panel                        | User management, chat monitoring, analytics dashboard, content moderation, system settings               | ₹40,000 |
| Frontend Development               | React.js/React Native responsive UI, chat interface, call interface, mobile app development              | ₹50,000 |
| Backend & Real-time Infrastructure | Node.js with Socket.io, Redis for caching, message queuing, scalable architecture, API development       | ₹45,000 |
| Security & Authentication          | End-to-end encryption, JWT authentication, OAuth integration, message security, data privacy             | ₹30,000 |
| Testing & Deployment               | Real-time testing, load testing, mobile testing, cloud deployment, monitoring setup, documentation       | ₹20,000 |

|   |
|---|
| NOTES   |
| <ul style="list-style-type: none"><li>• PROJECT WILL FOLLOW A MILESTONE PAYMENT STRUCTURE:<ul style="list-style-type: none"><li>• 30% UPFRONT</li><li>• 40% AFTER DEVELOPMENT COMPLETION</li><li>• 30% ON FINAL DELIVERY &amp; APPROVAL</li></ul></li><li>• DELIVERY TIMELINE: 5 WEEKS (DESIGN, DEVELOPMENT, QA, DEPLOYMENT)</li><li>• EACH FUNCTIONAL SECTION/COMPONENT IS CHARGED AT AUD \$10. TOTAL SECTIONS ESTIMATED: 20</li><li>• EXTRA FEATURES OR MAJOR CHANGES OUTSIDE THE DEFINED SCOPE WILL BE ESTIMATED SEPARATELY.</li><li>• OPTIONAL ANNUAL MAINTENANCE: AUD \$400/YEAR<ul style="list-style-type: none"><li>• INCLUDES:</li><li>• SECURITY UPDATES</li><li>• BUG FIXES AND MINOR CONTENT/PRODUCT EDITS</li><li>• REGULAR BACKUPS AND UPTIME MONITORING</li></ul></li><li>• The project will follow a milestone payment system i.e. a certain percentage of payment is to be sent after completion after a certain amount of work is done and reviewed by client.</li><li>• The quote provided by the Contractor is subjected to change. Any additional services requested by the Client or any changes to the scope of work shall be subject to a revised quote.</li></ul> |
